Commissioner of Patents and Trademarks
Washington, D. C. 20231

PETITION TO DECIDE A PETITION

A petition to revive the above identified patent application was sent in on the above caption case on August 29, 2002. The petition was lost and was resent in April 16, 2003 with the return postcard from the first filing. Applicant has vigorously sought over the ensuing 2 ½ years to encourage a decision. This petition was never fully adjudicated.

ONLY ONE OF THE THREE basis for revival was considered and decided, leaving the remaining two basis undecided. Nearly three years is more than adequate time to decide a petition. For this reason, applicant hereby submits this petition to decide the petition to revive.

Applicant asserts the failure to decide the August 29, 2002/April 16, 2003 petition is that of the USPTO and therefore no government fees are due, but a complete decision on the petition to revive is due.

Specifically, the relief this Applicant seeks is:

- 1) revival of the above identified application; and
- 2) petition fees to be charged will not exceed those of the originally filed petition.

The Commissioner is hereby authorized to charge any fees associated with this petition or otherwise with this file, including surcharges, or return overpayments to deposit account number 501143.
